**SPECIAL MEETING MINUTES**

A special meeting was called to order by Chair Mike Parney on Friday, August 14, 2015, at 1:00 p.m. at the road commission office to conduct interviews for the office manager position that will become vacant this fall upon the retirement of the current office manager and to attend to any other business as necessary.

**Interview for Office Manager Position**

Five applicants were interviewed in one-half hour time slots. At the conclusion of the interviews, the board concurred on their top 2 applicants for the position. Chair Parney questioned why we need 4 girls in the office when other road commissions are getting by somehow with 2 girls? Can we divide up the office manager duties among the 3 girls and the engineering technician? One additional applicant who was not available today will be interviewed at 9 am Thursday before the regular board meeting, so the Board can then discuss how to proceed during their regular meeting on August 20<sup>th</sup>.

**Meeting Adjourned – 3:45 p.m.**

As there was no further business, the chair declared the meeting adjourned at 3:45 a.m.
